Thank you to the April Recycling volunteers, Karma Yantzie, Alex Kluna and Christy Pitzer. If you can help, call Roxie.

The annual Foster Grandparent Recognition luncheon was held at First Baptist Church in Beatrice on Friday, April 13th. A slide show entitled "The Stars of Our Show" included pictures of the volunteer grandparents working with students in various settings. Personal stories were shared of the impact that foster grandparents have on the students they work with both by a parent and a former student of the program. Following lunch, entertainment was provided by the Jolly Jammers Kitchen Band. Those recognized from the Shickley Public School were Ethel Johnson-7th year and Nancy Hanouw-3rd year. In addition to their time spent assisting students during the school year, they also work with students through the summer months at the reading program at Virgil Biegert Public Library.

Tornado Sirens will be tested every Monday @ 1:00 PM.
